Time	Court 1: HS Gym
9 a - 9:55 a	Purple vs. Orange
9:55 a - 10:05 a	Break
10:05 a - 11:00 a	Purple vs. Orange <i>(Players will be mixed prior to 2nd match to form 2 new teams)</i>

Format follows most WIVL rules:

- **Format:** Each round will be 55 minutes long. Play the first 2 sets to 25 points, win by 2 no cap. The third set whether needed or not, will be played until time expires unless of course time expires during set 2. If the 3rd set is completed prior to the 55 min. time expiring, we will take a break and move on to the next match.
- **Service Line/Foot fault:** I will have the 24 ft. service line marked for underhand and overhand servers. No foot fault will be called when serving as long as the server starts their motion behind the 24 ft. service line. If a player cannot successfully serve from the 24 ft. line, they are allowed to move up to encourage longer rallies and overhand serving.
- **Serving:** Each server will be limited to 3 successful serves, on the next point (what would be the players 4th serve) you would rotate to your next server.
- **Ball:** Volleylite volleyballs will be used. We have volleylite volleyballs for warm-ups.
- **Rock, paper, scissors** will be conducted prior to warm-ups (Best 2 out of 3) to decide first serving team. If a 3rd set is needed, rock, paper, scissors will determine serving team.
- **Time-Outs/Interruption of play:** Unlimited time-outs, coaches being able to go on to the court and teach during a dead ball, etc. We can discuss that further that morning.
- **Substitutions: We want to teach the formal procedure** so they report to the substitution zone even though we won't be keeping a book and tracking.

We do have student and staff volunteers, so we will have one coach and one referee per court. We will ask a parent to keep track of the scoreboard.
